SCHOLAR DRESS CODE AND UNIFORMS

Research shows that school uniforms support a safe and disciplined learning environment, which is the first requirement of any good school. Students who are safe and secure and learn the basic American values and the essentials of good citizenship are better students. As of June 2015, there is a mandatory school uniform policy in Life Source International Charter School. All details of the school's mandatory policy—including specific enforcement policies and consequences for non-compliance—are available in the school office. Please note that the articles of clothing that make up the mandatory Life Source International Charter School uniform can be purchased at Life Source International Charter School.

No student will be considered non-compliant with the uniform policy in the following instances:

- When a student is on school grounds outside of normal school hours, appropriate attire is required.
- When a field trip or school event may require specialized clothing, appropriate attire is required.

NOT IN COMPLIANCE

FIRST OCCURRENCE – A call will be made to the parent/guardian to bring clothes. A letter will be sent home reinforcing the uniform policy.

SECOND OCCURRENCE – Call home to have parents bring in clothes and remind them that student must adhere to the school uniform policy.

THIRD OCCURRENCE – Parent is notified and student will receive demerits.

RATIONALE:

- Helping prevent gang members from wearing gang colors and insignia at school
- Instilling students with discipline
- Helping parents and students resist peer pressure

- Helping school officials recognize intruders who come to the school
